Live Jazz Show Case “Up Close & Personal”

Introducing Zolas “Up Close & Personal” Series, we are thrilled to announce **Bernie Senensky** with accompanists; Nathoan Hilz-guitar, Ryan Oliver-tenor sax & Morgan Childs-drums

Thursday September 25 @ 7:30 pm

Three-time Juno nominee **Bernie Senensky** has earned the reputation of being one of **Canada’s premier Jazz artists**, with 13 recordings under his own name. His playing is brilliant, featuring explosive bursts of technical wizardry on the one hand, and relaxed, soulful grooves on the other. The list of artists he has performed with reads like a ‘who’s who’ of jazz, including Dizzy Gillespie, Chet Baker, Art Blakey, Elvin Jones, Art Farmer, George Coleman, Clark Terry, Sonny Stitt, Barney Kessel, and Zoot Sims, to name a few. "Organic," Bernie Senensky's quartet, recently released its debut album, “Live at Joe Mama’s.” The group’s signature brand of B3 jazz blends hard bop and blues sensibilities **with original compositions and blistering improvisation**

This evening will offer a three course set menu designed & prepared by **Chef T and Team Zolas**

Limited tickets available @75. per person, tax & gratuity included **Reservations Required** please call 613 721 0227
