

DID YOU KNOW ZOLAS HAS ITS OWN ORGANIC GARDEN?

From our garden to your meal; something fresh is growing at Zolas!

What's for dinner; why not pick up our fresh lasagna or cannelloni, add some of Zolas famous Semolina rolls, "dinner is done"! Too hot to cook; come in and relax, open daily for breakfast, lunch and dinner.

We are proud to announce, Zolas is now making **our own Fresh Italian sausages**, influenced by our Grandfather's secret recipe; try it for breakfast, on a pizza or with pasta and spicy tomato sauce.

Looking for a great **DEAL**; check us out on [Groupon](#); featuring "Take Home and or Catering". Whether you are **two or too many**; talk to our Events Co-ordinator.
